RESOLUTION.—Questions having recently arisen as to the extent to which officers in the service of Government are permitted to connect themselves with the Press, the Governor General in Council thinks it desirable that the existing orders on the subject should be clearly understood:—

I.—No officer in the service of Government is permitted, without the previous sanction in writing of the Government under which he immediately serves, to become the proprietor, either in whole or in part, of any newspaper or periodical publication, or to edit or manage any such newspaper or publication. Such sanction will only be given in the case of newspapers or publications mainly devoted to the discussion of topics not of a political character, such for instance as art, science or literature. The sanction will be liable to be withdrawn at the discretion of the Government.

II.—Officers in the service of Government are not prohibited from contributing to the public Press; but their position makes it incumbent upon them to confine themselves within the limits of temperate and reasonable discussion, and they are prohibited from making public without the previous sanction of Government any documents, papers, or information of which they may become possessed in their official capacity. These rules have been hitherto in most cases honorably observed. In case of a departure from them, or if the Government should consider the connexion of any officer with the Press to be contrary to the public interests, his liberty to contribute will be withdrawn.

III.—The Government of India will decide, in case of doubt, whether any engagements of officers with the Press are consistent with the discharge of their duties to the Government.

IV.—Nothing in this Resolution is intended to relax the provisions of any regulations on this subject which now apply to the Army.

ORDER.—Ordered, that this Resolution be published in the *Gazette of India*, and circulated to Local Governments and Administrations for information and guidance.

GENERAL.

The 8th July 1875.

No. 1330 G.—The following revised rules for giving effect to Article IX of the Treaty between the British Government and His Highness the Maharaja of Jummoo and Kashmir of 2nd May 1870, in respect to the refund of duty on goods exported from British Territory to Kashmir or Central Asia *via* Kashmir, having received the sanction of His Excellency the Governor-General in Council, are published for general information :—

1.—The places agreed upon between the Punjab Government and the Maharaja of Kashmir as the places where goods may be declared and sealed for transmission in bond under these rules are Calcutta, Bombay and Amritsar. Goods intended for Central Asia may be declared and sealed at these three places, and also at Sultanpur in the Kullu tahsil of the Kangra district.

II.—Any merchant trading on his own account, and any merchant or agent trading on account of the Maharaja of Kashmir, is entitled to claim refund of duty under these rules in the manner hereinafter described.

III.—The goods intended for export to Kashmir or Central Asia shall be declared on invoices, and opportunity shall be given to the Collector or Deputy Commissioner, or the official at Sultanpur appointed on that behalf, to inspect them as required. The packages shall be sealed in presence of the Collector or Deputy Commissioner, or an officer authorized by him, or in the case of packages declared at Sultanpur in the presence of the official appointed on that behalf.

IV.—Goods sealed at any of the places mentioned in Rule I must not break bulk until the seals shall have been examined and certificates attested by one of the officials described in Rule IX; otherwise all claim to refund of duty will be forfeited.

V.—Goods intended for Kashmir or Central Asia, but contained in packages which it is necessary or desired to open on the route up-country from the sea-ports, may more conveniently be declared, sealed, &c., at Amritsar or Sultanpur.

VI.—The duty of which a refund is claimable under these rules is the customs duty specified in the schedules of the Indian Tariff Act in force for the time being. The amount of such duty shall be calculated at the values assigned to goods in those schedules.

VII.—In the case of goods sealed and declared at Calcutta or Bombay, the officers empowered to grant certificates, and in the case of goods sealed and declared at Amritsar the Deputy Commissioner, and in the case of goods sealed and declared at Sultanpur the official appointed on that behalf at Sultanpur, will furnish the applicant with a certificate in the annexed form (A) specifying the numbers on the packages sealed by him or under his orders, the kind of goods, the gross weight, the destination, and the amount of duty to be refunded in the event of the goods reaching Srinagar, Jummoo or Leh, as the case may be intact. The officers appointed to grant certificates should be furnished with the customs import tariff of fixed values, and with regard to *ad valorem* goods should be cautioned to investigate the claim as to drawback so as not to give drawback on the actual value of goods as laid down say at Amritsar or Sultanpur, which would include the cost of

carriage from the seaport at those places. Draw-back should not be given on more than the customs tariff value at the port of importation.

The officers empowered to grant certificates will keep a register of such certificates in serial order (B).

VIII.—When the certificate described in the preceding section shall have been granted, and the goods duly sealed, they may be conveyed by any route the applicant chooses.

IX.—The holder of a certificate granted under Rule VII will only be entitled to claim a refund on such certificate after it has been attested either.—

1.—By the customs official* of His Highness the Maharaja on arrival of the goods at Jummoo or Srinagar of His Highness' dominions, or

2.—By the British Joint Commissioner at Leh on arrival of the goods at Leh.

When any of the abovenamed officials are called upon to attest the certificate, they will examine the packages to see that the seals are untampered with, and that the number and weight of packages correspond with the certificate accorded.

X.—The owner or his agent may then present this certificate either to the British Joint-Commissioner at Leh, or in the case of goods sealed and declared at Calcutta or Bombay to the Collector at Calcutta or Bombay respectively, or in the case of goods sealed and declared at Amritsar, to the Deputy Commissioner at Amritsar, and obtain payment of the amount of duty stated therein.
